Welcome to the month of May! We are celebrating Older Americans Month! This was established in 1963 by President Kennedy and the National Council of Senior Citizens, back when there were 17 million Americans over the age of 65. Today, there are 62 million Americans over age 65 - how incredible! Older American's Month has long been a time to celebrate and acknowledge the contributions of past and current older persons to their communities and to society. This is also a great time to remember that age is a state of mind, and today's elders are not shrinking violets, but vibrant, interesting, and fun people to celebrate! There is even a new movement called, Old People are Cool, which continues to celebrate older adults during Older Americans Month and all year long. Check in with your Life Enrichment team to see how we are celebrating Older Americans this month and stay cool!
