December is here, bringing festive cheer and many fun celebrations for our community! December is National Learn a New Language Month, we'll be introducing fun ways to explore new words and phrases from different languages, giving everyone a chance to expand their skills while having a great time. Additionally, check your calendars for our Ugly Sweater Day celebration, when residents and associates alike can don their silliest, most over-the-top holiday sweaters for a day filled with laughs and holiday spirit. And don't miss our company-wide Gingerbread House Competition, where you can join in the fun of designing, building, and decorating a gingerbread masterpiece for your community. This month is chock-full of celebrations so make sure to download the Lifeloop App if you haven't yet to stay up to date on all of the latest programs and events. We look forward to enjoying this special month with all of you!
